

SERIOUS **FUN**

# Remember...

The sun hot on your back. Your body tingling after that first jump into the water. Your backyard was the place to be. Your older brother's cannonballs off the diving board. Echoes of Marco....Polo. One-on-one with the kid from down the street. The pure joy of climbing the slide, splashing into the pool and then doing it all over again. And again. And again. And again.

Remember piggy backs from mom in the deep end? Going from being too afraid to jump off the diving board to jumping higher and higher. Swimming lessons. Parties with friends. Swimming the length of the pool underwater. Grandma telling you not to splash her. Grandpa splashing her. You splashing him.

Yes, you remember. So do we. We're S.R.Smith. **Welcome to the family.**

## WE KNOW POOLS

At S.R.Smith, pools and pool products are our passion. Our innovative approach to creating products that enhance a pool's value, safety and fun have made S.R.Smith one of America's most trusted manufacturers for more than 85 years.

## BEGIN WITH PEACE OF MIND

We know that when you put one of our products in your yard, you're trusting us with the most treasured things in your life — your family. That's why every S.R.Smith product is engineered to the highest standards of safety. All of our slides are CPSC compliant.

## SAFETY FIRST

We use the highest quality materials, and our designs are carefully developed to incorporate the little things, like integrated handrails and slip-resistant treads, which make safety part of having fun.

# Remember

Nothing amps up the fun like a pool slide. With the S.R.Smith slide collection, you'll find the quality, safety and features that'll keep the fun rolling for years to come.

## DESIGNED TO LAST THE TEST OF TIME

Manufactured from high-quality, corrosion-resistant materials, S.R.Smith slides come ready to deliver serious fun, season after season! They resist fading & scratching, and retain their luster for years to come. Look for the Salt Pool Friendly icon that denotes products designed to perform well in salt pool environments.

## LET THE WATER FLOW

S.R.Smith slides with integrated water delivery systems offer high-volume water fun for a slippery, sloshy ride. The 360 degree heliX2® slide has a patented fountain feature at the top of the slide to provide splashing fun from top to bottom!

## SAFETY BUILT-IN

We believe fun and safety go hand in hand. That's why all our deck mounted slides meet the safety standards for swimming pool slides set forth by the U.S. Consumer Product Safety Commission (16 CFR 1207).

# the joy of climbing the slide, splashing into the pool, and then doing it all over again.

# Remember

Any kid will tell you, there's only one way to enter a pool on a hot day: with a splash! S.R.Smith offers a range of diving boards in a variety of shapes, styles and colors that allow you to add fun and style to the pool.

## 85 YEARS OF DIVING EXPERIENCE

Since 1932, S.R.Smith has been building diving boards to the highest quality and safety standards. If you've ever gone off a residential diving board, chances are it was one of ours!

## DIVE SAFELY

The combination of the diving stand and board you select is limited by the size of your pool's diving envelope (pool depth, shape, slope) as outlined by ANSI/APSP/ICC-5 standards for residential in-ground swimming pools. S.R.Smith is a founding member of the Diving Board Safety Network: [DivingBoardSafety.net](http://DivingBoardSafety.net).

## FLEXIBILITY TO SUIT YOUR NEEDS

Whether you want a diving stand and board with spring to take you to great heights, or a stable platform to perfectly execute a cannonball, we have the dive stand and board combination for your pool. Diving board and stand combinations are defined in two ways, according to their level of flex:

- Jump Boards – a flexible board on a base that utilizes a spring mechanism
- Diving Boards – a flexible board on a rigid base

Your S.R.Smith pool expert can help you choose the right combination to suit your needs.

# your body tingling after that first jump into the water?

### NEW! TRUETREAD™ SERIES DIVING BOARDS

TrueTread™ diving boards feature a unique, durable surface with a sporty look and feel. They are an excellent upgrade replacement board for pool owners looking for a modern alternative to a traditional diving board. Available 6' and 8' lengths, they can be paired with many S.R.Smith diving stands. All TrueTread™ colors are available on white boards and stands, with Gray and Tan TrueTread available on complementary earth tone board and stand colors to add elegance to any pool.

BOARD & STAND SELECTOR					
	STANDS	TYPE	SALT FRIENDLY	JUMP BOARD	DIVING BOARD

*Frontier IV boards require a special stand, call customer service for assistance.					

#### FLYTE-DECK II DIVE STAND

Its sleek appearance and sturdy, scratch-resistant, acrylic reinforced fiberglass construction makes it our best selling model. Pairs with a variety of 6', 8' and 10' boards.

#### FRONTIER II JUMP STAND

Made of powder-coated stainless steel, this economical stand comes with a Frontier II 6' or 8' board.

#### SALT POOL JUMP STAND

This fiberglass-backed stand and composite spring assembly is designed to perform even in harsh pool environments. This stand pairs with 6' and 8' Frontier III boards for the ideal salt-friendly combination.

#### SUPREME JUMP STAND

This is the top of the line jump stand, made from durable, scratch resistant acrylic that's fiberglass reinforced and pairs with a variety of 6' and 8' boards.

#### U-FRAME DIVE STAND

A smart and economical stand made from polished stainless steel tubing in 12", 18" and 24" sizes, that can be paired with 6', 8' or 10' boards.

#### CANTILEVER JUMP STAND

Made of powder-coated stainless steel, this stand pairs with a variety of 6' and 8' boards.

### SPECIALTY DIVING BOARDS

**Note:** The HipHop and Freestyle boards can be combined with the Cantilever Jump Stand when a more flexible diving board system is desired.

#### HIPHOP ON D-LUX STAND

Adds a distinctive, fun dive board shape to your pool. This board comes with a matching D-Lux stand.

#### FREESTYLE ON D-LUX STAND

Add a unique design element to your pool, with its widest point being twice the width of a traditional diving board. This board comes with a matching D-Lux stand.

# Remember

Whether it's one-on-one or team play, basketball and volleyball are even more fun in the pool. The days when kids could entertain themselves in a pool full of water alone are long gone. Adding a game to your pool deck will draw everyone in the pool for hours of lively entertainment.

With S.R.Smith pool games, the options are many. Frames and posts are made from stainless steel, with basketball games available in single and dual post designs. For extra protection from salt water and weather, many games are available with vinyl-coated SealedSteel®. And all games are easily removable for storage, with anchor caps that sit flush with the pool deck providing an extra element of safety.

# when your backyard was the place to be?

## ROCKSOLID® SINGLE POST

- Our most heavy duty, commercial grade salt-friendly model
- 8" and 30" setbacks to work with different pool gutter designs
- RockSolid® Anchor virtually eliminates post movement (safety cap available)

## SWIM N' DUNK DUAL POST

- Available in polished stainless steel, or with the added protection of salt-friendly vinyl coating
- 12" and 18" setbacks to work with different pool gutter designs
- A clear, acrylic backboard offers minimal visual obstruction

## SWIM N' SPIKE VOLLEYBALL

- Available in polished stainless steel posts, or with the added protection of salt-friendly vinyl coating
- Competition quality 16' or 20' nets with 3 foot ties
- Removable posts with safety caps included

# Remember

Pool lighting sets the tone for your pool after dark. Whether you select light shows for a celebration or enjoy a single color that drenches your pool in light, S.R.Smith has lighting options to create a custom mood.

## LED ADVANTAGES

LED lighting not only provides more options for creating a unique pool environment, it is also more reliable than traditional pool lighting and more efficient. Our products are designed to offer a simple yet dramatic lighting experience.

# those hot summer nights, playing in the pool past sundown?

## ELEGANCE AFTER DARK

Have more fun after dark with lighting options that match your mood. Transform your pool at the touch of a button with the poolLUX® family of lighting control solutions. Designed to work seamlessly with our LED lights, poolLUX® controls offer a wide range of options including multiple color variations, light shows and dimming. Whether you want to create a tranquil oasis or party central, pool lighting from S.R.Smith lets you take your pool to the next level.

**poolLUX Power**

- Integrated ON/OFF switch
- 6 color option control
- 2 light shows

**poolLUX Plus**

- Wireless remote
- 6 color option control
- 2 light shows

**poolLUX Plus2**

- Controls up to 2 zones of lighting
- Wireless remote
- 6 color option control
- 2 light shows

**poolLUX Premier**

- Wireless remote
- 49 custom color options
- 4 dimming levels
- 2 light shows

### LED LIGHTS

**Treo™**  
Serviceable return fitting light for pools, spas and water features

**kēlo**  
Return fitting light for pools, spas and water features

**micro**  
Mini (3/4") accent light for water features, steps, and shelves

# Remember

## UNIQUE DESIGN ELEMENTS THAT MAKE A POOL SPECIAL

When you choose S.R.Smith, you are choosing ladders and rails that can transform a pool from ordinary to extraordinary. From standard to custom, in a variety of finishes, our rails can add both form and function to any pool.

## CUSTOM RAILS — ANY SIZE OR SHAPE

Ladders and rails should be a hardworking, functional part of your pool. They also have the power to add a signature touch that turns your pool into an architectural masterpiece. Whether it's a minor variation to one of our standard rail configurations, or something from your own imagination, look to S.R.Smith to help make your vision a reality.

## FINISH WITH STYLE

Polished 304 stainless steel is standard, with 316L marine grade for a higher level of protection in more extreme environments.

- Powder Coat — For added durability as well as a decorative finish, powder-coating is a beautiful upgrade

Pearl White

Rock Gray

Taupe

- SealedSteel® — A protective vinyl coating that performs well in salt pools and other harsh environments *(not available with Designer Inspired Rails)*

Radiant White

Pewter Gray

Taupe

Note: SealedSteel cannot be used in spas and heated pools where temperatures exceed 100°F

### TRADE OUT ORDINARY FOR ELEGANCE

With sleek lines and practical brilliance, S.R.Smith's Artisan and Meridian Designer Inspired Rails bring an updated look to any pool. These stylish rails and ladders are designed to fit standard deck configurations, so adding a touch of sophistication is a simple exchange.

## *Artisan Series* designer inspired rails

# Memories...

It's the simple things in life that make the most cherished and lasting family memories. And it seems that water is often a central theme in those memories, for young and old alike. A sanctuary for fun and relaxation, families choose to add a swimming pool to their backyard to create a healthy play environment for young children as well as boisterous, technology loving teens.

## POOL TIME IS FAMILY TIME

As your life changes and family needs evolve, we are here for you with products to help you enhance the pool lifestyle. A slide for the little ones, diving boards and games for the big kids, or designer rails to update your pool with a fresh, new look, we have high quality pool products for every one of life's seasons.

## A PASSION FOR POOLS

Creating products that increase a pool's value, safety and fun is our passion, and has made S.R.Smith one of America's most trusted manufacturers for more than 85 years.
