

LANDSCAPE SLIDES

SERIOUS EQUIPMENT • SERIOUS FUN • ACCESS FOR ALL

landscape **slides**

CREATE A UNIQUE BACKYARD RESORT

Give customers the pool of their dreams with a custom landscape slide. Garden Ride, River Run and BYOS2 Slides are made using an advanced Resin Transfer Molding (RTM) process and coordinate with other RTM products. All landscape slides are UV resistant, salt pool friendly and exceptionally strong and durable. For custom pool designs, provide your drawing to our technical experts and we'll work with you to make the vision a reality for your customer.

MINIMUM WEIGHT - MAXIMUM STRENGTH

Garden Ride, River Run and BYOS2 slides are made using a Resin Transfer Molding (RTM) process. RTM is an advanced manufacturing process that is used in a diverse range of applications from aerospace to automotive products. The RTM process creates a composite material that has a high strength to weight ratio – although lightweight, it is exceptionally strong and durable. RTM products offer a truly unique look that is salt pool friendly and UV resistant to protect colors from fading.

SALT POOL FRIENDLY

We know pool builders and consumers alike enjoy the benefits of salt chlorinator systems – that's why we've designed a line of products that perform well in salt pool environments. Our Salt Pool Friendly icon is your visual assurance that the most durable and salt friendly materials have been used in manufacturing.

RTM LANDSCAPE SLIDE SERIES

GARDEN RIDE

Garden Ride Slides are designed to be built into custom poolside landscapes with limited space. Featuring an easy to assembly two-piece flume available in 10' or 15' lengths, the Garden Ride offers hours of custom splashing fun. The advanced water delivery system, deep, wide runway and multiple color options make it ideal for range of pool configurations.

- Right and left turn slides
- 10' & 15' length options
- 350 pound weight limit
- Matching powder coated handrails are standard
- 11 color choices - solids and visual textures
- Color matching products include: T7 Diving System, Destination Series In-Pool Furniture

RIVER RUN

River Run Slides are a collection of the most popular designs that have been custom configured through the Build Your Own Slide (BYOS2) custom landscape slide ordering process. The pre-designed BYOS2 Slide Kits are ready to order without the need to wait on a quote. If you are looking for a pre-designed custom landscape slide to fit your backyard oasis, then a River Run Slide is the perfect choice.

- Right and left turn slides
- 19', 23', 24' & 29' length options
- 350 pound weight limit
- Matching powder coated handrails are standard
- 11 color choices - solids and granites and visual textures
- Color matching products include: T7 Diving System, Destination Series In-Pool Furniture

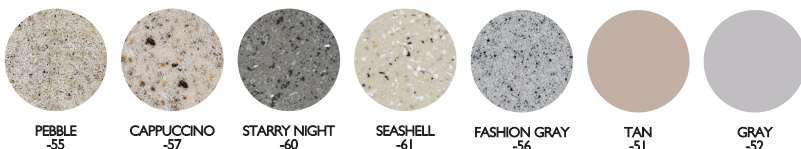

BUILD YOUR OWN SLIDE 2 (BYOS2)

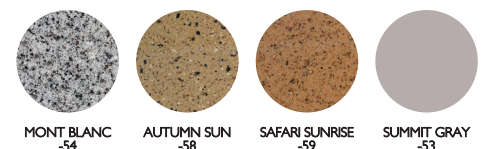

The Build Your Own Slide (BYOS2) allows you to give your customer a true "one-of-a-kind" landscape slide. With 11 color choices and up to 10 available sections to combine for endless configurations, the BYOS2 provides maximum customization to builders incorporating hand-crafted rock work or water park designs into custom backyard settings.

- Up to 10 available sections combine in endless configurations for slides up to 30' long
- Design and configuration assistance
- 350 pound weight limit
- Matching powder coated handrails are standard
- 11 color choices - solids and visual textures
- Color matching products include: T7 Diving System, Destination Series In-Pool Furniture
